## "Old friends"

My old standby—Sloan's Liniment! Always handy, always faithful! In the thirty-nine years we've known each other, not once have you failed to relieve my rheumatic twinges! And I've had many of them to test my confidence in you. You haven't faltered. Sloan's Liniment—not once during the many years that have intervened. You have constantly helped relieve the after-effects of exposure, the sharp burn of scalds, the dull ache of lumbago, the muscles so often made sore by toil and strain, the minor stiffness from over-exertion. And you've performed your work so economically, so cleanly. No wonder I always keep you handy where, on the first sign of rheumatic twinge or pain or ache, I call on you and you promptly come to my relief! I'm proud of the fact that we are known as 'Old Friends'!
